

20 Things God Might Say

By Ron Edmondson

I sent out a couple of tweets recently that received some attention. They had the hashtag **#ThingsGodMightSay** and were intentionally designed to encourage people. In my work, I always know a lot of struggling people. I see social media as an outlet for ministry. So, I decided to expand on the theme.

Here are 20 **#ThingsGodMightSay**:

I thought about you today. A lot.

#ThingsGodMightSay

I forgave you. Shouldn't you forgive him?

#ThingsGodMightSay

Don't worry. I've got this.

#ThingsGodMightSay

What do you think about the butterfly? Yea, I'm pretty proud of that one too!

#ThingsGodMightSay

That love one another thing — I meant it.

#ThingsGodMightSay

Did you miss the part about me being a jealous God?

#ThingsGodMightSay

When you get time, can we talk?

#ThingsGodMightSay

I wrote this book. Have you read it lately?

#ThingsGodMightSay

No, it wasn't a mistake. You just can't see the whole picture right now. Just wait...

#ThingsGodMightSay

I can tell — you're worried again. You forgot about my promises to you, didn't you?

#ThingsGodMightSay

Have you thought about my Son lately? Isn't He wonderful?

#ThingsGodMightSay

Restoring broken people. It's kind of one of my specialties.

#ThingsGodMightSay

Today's a great day to follow me.

#ThingsGodMightSay

I've loved you since the minute I thought of you — which was way before your time.

#ThingsGodMightSay

Quit trying to be like everyone else. I'm pretty proud of who I designed you to be.

#ThingsGodMightSay

Have you ever watched a child giggle? Yea, that gets me every time too.

#ThingsGodMightSay

I love what you're doing with Instagram, but you haven't seen anything yet.

#ThingsGodMightSay

Waiting doesn't offend me. I've got plenty of time.

#ThingsGodMightSay

You can trust me. Seriously.

#ThingsGodMightSay

No matter how hard you try, or how good you are, this is NOT going to work without me!

#ThingsGodMightSay

Let me be clear that I'm not assuming I have anything to say for God. He can and has spoken for Himself. Every time I preach I try to amplify His Word and help people apply truth to their life. That's my goal here. It's just an attempt to provide a fun, easy to read way to get concepts and encouragements of God into our minds. For ultimate truth, stick with what's already been written — The Bible.
